

Dear Parents and Carers

It seems impossible to think that another school week has passed, time is certainly flying. This week we have become our very own TV stars as we made a video for our website. We would usually have Open mornings, but unfortunately it is more difficult this year. Our children have still been able to show prospective around though, albeit on film. It was lovely to see them present themselves so well our show off our wonderful school. We are hoping to be able to put the video on our website in the next few weeks.

Our new reception class have stayed for lunch this week. They are the only class currently using our dining hall and all the staff have been so impressed with them. Well done Mrs Waters, Mrs Wickham and Reception class.

I would like to say a big thank you to all parents for your help in keeping our school site safe. There have been two significant areas that are having a positive impact. The use of our one-way system and clearing the site promptly is helping everyone have space and feel safe, and the more considerate parking is preventing dangerous queues building up. However, please be mindful that the pathway at the beginning of Church Lane is **not** a parking space and children are being forced to walk in the road—please do not park there.

Thank you for all your support of the school and the children this week, and we hope you have a lovely weekend.

Best wishes

## Parent Working Team

### Behaviour Policy

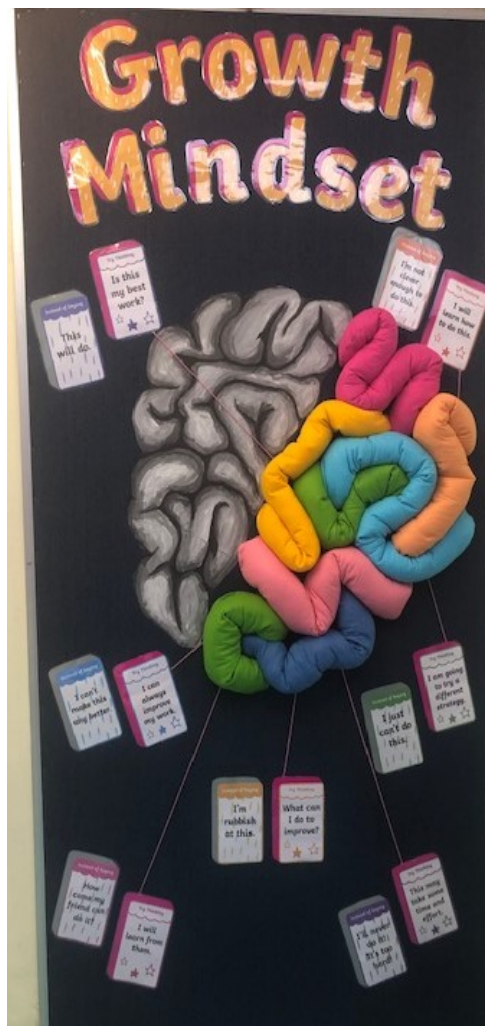

We are looking to restructure our Behaviour Policy this year and we would like to include parent's point of view. If you would be willing to be part of a small group that discuss issues around behaviour and would be instrumental in forming our new policy, please email me at

headteacher@capel-tonbridge.kent.sch.uk

A group of approximately five parents would then be asked to work together to feedback views to the school.

We are not able to welcome many visitors into our school at the moment, but I thought you might like to see this lovely display created by Miss Murphy. It represents a positive, 'can-do' attitude that we promote with our children. It helps them to rephrase negative ways of thinking, for example we can change 'I can't do this', to 'perhaps there's another way'.

It is in our main corridor by the dining hall and will act as a reminder to our children throughout the year.

### DATA sheets - Very Important

It is vitally important that you return the data sheets to school as soon as possible, even if there are no changes. If we need to get in touch with you, we need the correct information.

**Year 6 have been working hard to notice each others Acts of Kindness.** Each week, Miss Buxton is asking the class to nominate people with a reason why. This week, two children have really stood out to the class, below are their names and the reason why someone nominated them.

Louis - 'for helping me with my maths because I was struggling'

Deon - 'for talking to you when you have no one to talk to'

Well done Louis and Deon—your kind acts have really made a difference to someone this week, we're proud of you.
