

As we approach the end of this academic year, we start to look to September and the arrangements that will be in place.

We are very pleased to share information about the classes that Teachers and TAs will be working in as we know that children benefit from having this information early, and it helps us to plan transition activities so relationships can start to be built. I have included photos this year, as we sometimes know a face but not a name! On 7th July, the children will have the opportunity to meet their new teachers and spend some time with them in their new classrooms. It is a great time to ask lots of questions and start to get familiar with their new year group. We do, of course, have a much wider staff, so please feel free to see us all on our website.

You will notice that we welcome a new teacher to the school, Mrs Barrett. She is an experienced Year 5 teacher and is excited to join the Capel Team. She has worked in a local Primary School and has had the opportunity to work abroad too. I know that the children will enjoy meeting her on 7th July and she is looking forward to it too. Mrs Barrett replaces Mrs Haffenden who has done a fantastic job of leading Year 5 since Christmas. I know that the current Year 5 class will be happy to go up with her and Miss Buxton into Year 6.

Miss Murphy, who has taught at Capel for a number of years, and worked alongside Mrs Haffenden this year, has decided to focus on her own business more, making it hard for her to carry on at Capel from September. We do however, look forward to working with her on exciting art projects in the future. We would like to offer enormous thanks to her for all her hard work at Capel and for the inspirational art that she has brought to us. Her legendary Art Week will definitely be something we do again. We wish her lots of success with her business .

We also say Goodbye to two of our hard-working Teaching Assistants who were here in temporary roles. Both Mrs O'Hare and Mrs Janekeh have shown huge support to both students and staff at the school and have built up fantastic relationships with our children. We hope that there will be opportunities in the future to work with them both again. In the meantime, we thank them for everything that they have done and for their dedication and commitment to Capel.

If you have any questions or concerns, please do not hesitate to contact me.
