

# Weekly Newsletter

25th June 2021

We are delighted to share our Enrichment Day experiences with you this week. All the children had the opportunity to try new sports including climbing, kurling, skateboarding and aeroball and had the chance to work as a team with problem solving challenges. We were so lucky that the sun shone for us on those two days! I have included pictures of our day and would welcome any feedback from our families. You will soon be able to see more pictures on our website in the Special Events tab.

Best wishes

Suzanne Farr

A huge well-done to all of the children. We saw fantastic acts of courage, friendship and resilience. Children were delighted by the new skills they learned, and rightly proud of themselves for overcoming worries or challenges.

### Dress for the Weather!

In these warmer temperatures, please ensure that your child has:

A water bottle      Hat      Protective sun cream applied before school as we are unable to apply it.

Our classrooms do tend to get very warm, but they are well ventilated and we use fans.

If your child is due to start secondary school in September 2022 you can register them for the Kent Test between 1 June and midnight on 1 July 2021.

Tests are due to take place in September 2021, and we will continue to monitor whether any adjustments are required to the Kent Test process this year in the light of COVID-19. Please register as usual if you want your child considered for a place at Kent grammar school in September 2022.

Luna and Star were lucky enough to go on a weekend break to stay with Elizabeth. They were spoiled with cuddles and plenty of grass and they had a super time!

Thank you Elizabeth for being such a brilliant Guinea-pig care giver.

### Reminder

Many of you many already know that Karen Tarling is retiring this summer after having worked at Capel Pre-School for over 20 years! The Pre-School would like to put together a Book of Memories and Thanks for Karen and if any parents or children would like to add to this, they can either email a message or maybe the younger children would like to draw her a picture? If you would like to contribute please either email [admin@capelpreschoolfiveoakgreen.com](mailto:admin@capelpreschoolfiveoakgreen.com) or you can anything to Kim Barwick if you see her at the Primary School. We look forward to hearing from you!

Thank you, Capel Pre-School
