Class 4 have started cooking this week, and they made traditional English pancakes in their first cooking lesson. The children practised a range of skills such as chopping, whisking (to ensure there were no lumps in the batter) and flipping. Finally, they enjoyed their pancakes topped with honey and delicious fruits!

This week, our School council planted one of the new oak trees on the Recreation Ground. In honour of the Queen's Jubilee, five oak trees are being planted in the village, by various organisations.

Well done to our pupils for representing us so well and for being a part of the village's history.

Jette, who runs the Pottery Club, has told us how much she is enjoying working with our children. She is so impressed by their creativity, willingness to try and has commented on their positivity and encouragement of each other.

Please be aware that we have a few cases of **Covid** in class 3 this week. We ask that positive cases remain away for 5 days, returning when well. Thank you for remaining vigilant and keeping us informed. We continue with our stringent hygiene measures and ventilation.

This week class R had a visit from 'Cooking Pioneers'! We have been learning lots about fruit and vegetables and how they help a healthy diet so Mrs Randeria helped us all to make a healthy strawberry cheesecake. The children listened carefully to the recipe instructions and worked as fantastic teams to create their finished product, using lots of different cooking skills along the way! It is safe to say the lesson, and the cheesecakes, were a big hit as we all enjoyed them whilst listening to a story after lunch.

Thank you to all of our families. Thank you so much for helping us to celebrate our Staff Appreciation Week. Thanks to your kind words, our staff are feeling very loved. I feel so privileged to lead such a wonderful team of people, and I would like to say, a huge heartfelt, thank you to every one of them.

27th May—Jubilee Celebration Day.

On 27th May, we will be holding a day of celebrations to honour the Queen's Jubilee. The children are invited to wear their own clothes for the day, and we will have some special activities to mark the day.

Staff News

Baby News!

We are very excited to let you know that Mrs Taylor and her husband are expecting a baby in the Autumn. I'm sure you will join with me in wishing them all the best as they add to their family.

New MMS

We are delighted to welcome Mrs Parsons to our MMs team. Due to Mrs Killick standing down from her MMS role, we needed another person to support the team. We are pleased to say that Mrs Killick will remain at Breakfast Club though.

Uh-oh!

You may have noticed our EYFS building is looking a bit worse for wear at the moment. We have been in talks with KCC for some time regarding a replacement, but due to the recent storms, the outside of the building is suffering even more. KCC have plans to do a temporary fix over the summer holidays, recladding the outside and painting it. We cannot expect a replacement until the following summer, but at least it will look a little better! The structure and inside are both sound and not a concern to the surveyor. Please bear with us while we do our best to make it look a bit nicer when we have our big field events later in the term.
