Well done Year 1

We were treated to a very special class assembly today, as Year 1 shared their learning with their families. It was wonderful to see the confidence with which they performed, as well as the range of work they have done. We listened to them playing the ocarina, reading out their own poems, heard about their work on Neil Armstrong, and enjoyed a song about the continents.

It was their first class assembly, and they did such a brilliant job. We are all very proud of them!

Thank you too, to the staff team that supported them.

May Fayre

THANK YOU to our wonderful PTA and school community. Thanks to everyone's commitment to us, they managed to raise a whopping £2600.

It was a very special event, and it was lovely to see so many performances, stalls, competitions, burgers and cakes! We are also very grateful to Mrs Maynard who was such a good sport about being gunged—I personally am VERY grateful!

There are some photos on our Special Events page on the website, but here is a taster of the day.

27th May—Jubilee Celebration Day.

On 27th May, we will be holding a day of celebrations to honour the Queen's Jubilee. The children are invited to wear their own clothes for the day, and we will have some special activities to mark the day.

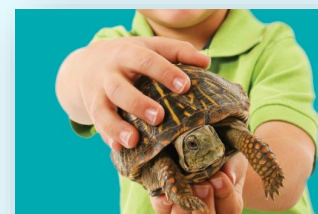

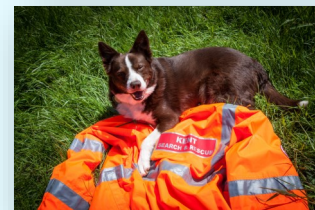

Enrichment Day 21st June

How animals enrich our lives

We are excited to announce that our next Enrichment Day is focused around animals, with particular reference to how they help us and influence our lives. We are delighted to be welcoming three Search and Rescue Dogs, with their handlers, an animal encounter group to introduce some more unusual species and some working therapy animals. Each activity will be carefully risk-assessed and managed by fully qualified handlers. There will be some additional learning about modern day inventions that are inspired by animals, as well as some drawing lessons too.

If there is any specific allergies or anxieties that your child may have in regard to animals, please do let us know so that we can decide how best to support them.
