

Weekly Newsletter

10th June 2022

Welcome back to Term 6, I hope you all managed to have a lovely break.

Our term started off with our Year 6 class leaving for their Residential trip, and all reports so far show that they are having a great time. They are due back today, so I'm sure they will let you know about their adventures in next week's newsletter.

It is lovely to see our attendance rising as we get back to more normal times, but please be aware that there are some cases of Covid in our community, so please be vigilant still.

I am delighted to share the results of our parent survey with you too. You will see the responses on the next page, and I would like to take this opportunity to thank you for taking the time to share your views with us—it is really helpful.

Have a lovely weekend.

Thank you for taking the time to complete our survey in May, and we are pleased to be able to share the outcomes with you. Overall, it was a very positive survey and it is encouraging to see that so many things are going well. We are also pleased to have your feedback, to understand issues, however big or small, that could be improved.

You will see from the above data that homework and clubs are the two issues that we need to explore the most. As a staff, we plan on looking at our homework policy very closely, and we will be seeking the views of parents and pupils - so watch this space!

The clubs that we currently provide are: sewing, football, pottery, gym, dance (two types), choir, crafts and netball. We do appreciate that not all of these are free, but where there is a cost, we may offer subsidies via our sports Premium, or for pupils in receipt of pupil premium. We will continue to try and provide a range of clubs, and will particularly try to add more for our younger pupils.
