We are delighted to let you know that Mrs Lee has completed the practical part of her **Forest School** Training. We truly appreciate all her hard work, and are so excited to start our full Forest School Programme in September.

Some children have already taken part in her 'pilot class' and Year 6 have some special Forest School Days planned for July.

We know what an enriching addition this will be to our curriculum, and we are confident that it will help our children to thrive.

Thanks again Mrs Lee! A true Star.

Last week, most of year 6 went to Suffolk, to Bawdsey Manor for their Year 6 residential, along with Miss Buxton, Mrs Haffenden and Mrs Lee. We had an amazing time! All week, we were all challenged with new activities, climbing high, abseiling off tall towers, walking blind, swinging from new heights, traversing challenge courses and avoiding laser beams, and jumping off sky-scraping poles - even the adults gave it a go!

We were guided around by James (Alrighty). We were his first ever group! He would greet us bright and early every morning, take us to breakfast (often sausages), take us to our activities, meet us for lunch (often sausages), take us to our activities, meet us for dinner (often sausages), and then join us for our evening activities! It was a full day, but it was so much fun!

The year 6 team are so proud of how well the year 6 children behaved, got themselves organised and challenged themselves!

The only thing we can finish off by saying is: Alrighty... Basically... Sausages!

Congratulations to Lade and his Team!

Last Saturday, Lade represented his football team at the Heathfield and Horam tournament. He scored the lone goal in the final that won his team the cup.

What a fantastic achievement! Well done.

Sports Day

Hopefully you have seen the letter sent out this week regarding Sports Day. You will have seen the information you need for the day, and a picnic lunch menu option if your child would like a school lunch provided. Please return these promptly.

We look forward to seeing you on the day!

Class Teams for September 22

Yesterday, a special newsletter was sent out informing you of the teaching teams for September. If you missed it, there is also a paper version in the entrance area that you can look at.
